Earth Science Week Oct. 11-17, 2009: Understanding Climate

- climate.nasa.gov one-stop shop for NASA Earth Science Week (ESW)
- NASA materials in ESW kits distributed to 16,000 teachers
- Sept. 30 Webcast to NASA ERCs/AESPs/Teachers
- Tides of Change 6 videos on oceans and climate
- Oct. 14 DLN Webcast with NASA oceanographers: Gene Feldman and Marci Delaney
- NASA Portal Earth Explorer Articles
- NASA resources at Oct. 11 Family Climate and Weather Day at Maryland Science Center

The screenshot shows the Earth Science Week website for October 11-17, 2009. The header includes the dates and the event name. Below the header, there are sections for 'Resources for Educators and Students', 'Video Series: Tides of Change', 'Multimedia Resources', and 'Educational Activities'. Each section contains a brief description and a link to a resource list. A sidebar on the right features a 'Celebrate Earth Science Week' graphic with a globe and the website URL www.earthsciweek.org.

Student End of Event (Short Activity)

PART 1: Participant Information

1. Name of school or institution
2. State or Territory
3. Grade Level
 - ☐ 4
 - ☐ 5
 - ☐ 6
 - ☐ 7
 - ☐ 8
 - ☐ 9
 - ☐ 10
 - ☐ 11
 - ☐ 12

PART 2: NASA Activities and Learning

4. What type of activity did you participate in today? Check all that apply.
- ☐ Visit from a NASA educator, scientist, or engineer
 - ☐ Visit from a NASA astronaut
 - ☐ Seminar/lecture by a NASA or aerospace professional
 - ☐ Video downlink from International Space Station or Space Shuttle
 - ☐ Participate in a launch event
 - ☐ Ham radio call to an astronaut
 - ☐ Classroom lesson about NASA
 - ☐ Library lesson about NASA
 - ☐ NASA TV-based activity
 - ☐ NASA computer-based activity
 - ☐ Visit to a NASA Center
 - ☐ Visit to a museum, science center, or planetarium

National Aeronautics and Space Administration

- OEPM is the official performance measurement application for the NASA Education Portfolio
- Standardized, web-based data collection instruments; linked to Office of Education measures, objectives, and outcomes
- Please encourage participants to complete the surveys; event driven
- Surveys mapped to individual projects
- No scan capability for paper surveys; please input by Aug 1. After Aug 1, send paper surveys to NASA team for input as deadline is Sept 30
- 120-day follow-up surveys are system-generated; no need to distribute those links
- Reports available upon request; contact Stephanie Atienza

- Standardized, data collection instrument in MS Word format
- Like the survey data, PAF data will be used by Office of Education for reporting to stakeholders
- Please ensure the PAF's are completed and forwarded to Stephanie Atienza
- Event-driven; e.g. conference
- Like the surveys, PAF's mapped to individual projects
- MS Word template will be distributed next week and eventually posted on GCCE web site

Quarterly Reports & Milestones

- Quarterly reports used by GCCE Project Office to track progress, report accomplishments, and respond to stakeholders
- Quarterly reports due at the end of March, June, September, and December
- Finalizing the reporting section on the GCCE website; expect deployment for end-of-March reports
- Have established a master schedule of all project milestones
 - Schedule will allow us to track the major events across the 57 projects and report accomplishments
 - Milestones will be displayed in the forthcoming project reporting section on the GCCE website; automated quarterly report will have section for indicating milestone changes

- Increased pressure on NASA Office of Education to “cost” funds
- What does “cost” mean? Project funds are costed when awardees draw down on their NASA project funds
- How can you help? Work with your organization’s financial office, submit timely invoices for NASA funding

SMD Science Education Product Review
